

# Meticulous preservers of the record.

**WATKINS**  
Court Reporters

**Watkins Court Reporters** serves the legal community with impeccable court reporting skills, expertise and meticulous results. We focus entirely on adding value to our clients' work and success through exceptional service and litigation support.

For over 12 years, we have partnered with litigation lawyers across the United States to provide deposition scheduling and transcript production. Using state-of-the-art litigation support technology, we provide rapid, reliable turnaround on transcripts and we excel in large case management. Your entire deposition experience is managed with the utmost care and attention by our conscientious, highly-skilled office staff and reporters.

“Watkins Court Reporters has always provided the highest-quality court reporting services in Washington State. Their professionalism, timeliness, and transcripts are far and away the best in the industry.”

“ Our firm has used Watkins Court Reporters in a number of cases. One of these involved multiple depositions, sometimes in different offices, on the same day. There were thousands of exhibits in that case. We found in that case and in the others that the Watkins firm uniformly did excellent work and provided first rate services. ”
